

# LET IT RIDE WITH THREE-CARD BONUS

Let It Ride with 3-Card Bonus is a form of stud poker. Players do not play against the dealer or any other players. Each player must place 3 equal bets for each hand. Each player receives 3 cards. The dealer deals out 2 community cards in front of the chip tray. The player's 3 cards and the 2 community cards will make up the player's 5-card poker hand. After looking at the first 3 cards, the player may ask for the first bet back or may choose to let it stay in action. After the player has chosen, the dealer will expose 1 community card. The player may then either ask for the second bet back, or he/she may choose to let it stay in action. After the player has decided, he/she will place 3 cards beside remaining bets. The dealer will then expose the final card. The dealer then pays all winning hands in accordance with the pay table below:
